

TERMS OF SERVICE

A brief description of the scope of work provided in the appropriate box on the [contact form](#) will help us determine the approximate manpower needed to complete the job.

A \$150 non-refundable deposit is charged in advance to reserve a scheduled date. The balance of \$225/painter plus any material charges is due the day the work is completed. Any work over 8 hours will be billed at our overtime rate of \$55/man/ hr. **A trip charge of \$75 will be charged for anything less than a 6 hour day.** There is no travel or trip charge in Metro Orlando for an 8 hour day.

The [PA-INTER for a DAY service](#) does not provide a written estimate or offer to undertake or complete projects on a fixed time or bid basis. It is strictly a day rate for a professional painter and his tools.

This service does not include free call back visits for any reason other than warranty. Any additional work is a chargeable event.

As soon as the painter(s) arrives please discuss the following items:

1. Job priorities - Go over the scope of work or written list with the painters.
2. Present materials your providing and discuss quantities required for each color and task. It is important is to make sure there is enough paint available to complete the task.
We cannot be held responsible for delays as a result of lack of paint if you provided materials for the project.
3. Discuss any security instructions, restroom preferences and wash up/clean up area
4. Make us aware of clients availability and provide contact numbers as necessary
5. Inform us of Final Payment method and make arrangements to pay upon completion.

In most cases your presence is not necessary. But on certain specific and multi-task projects we may require you to direct labor and be present to answer those questions that invariably come up during a one day multi-task projects. And to be present to approve the finished product prior to moving on to the next task. We cannot be held responsible for delays or incomplete work as a result of lack of direction.

Thanks for your assistance and understanding,
